Mass: The Art of John Harris. by. John Harris, Ron Tiner. 4.54 · Rating details · 37 ratings · 3 reviews. John Harris's grand vision and style have won international acclaim—and a NASA commission, never before given to a British artist. Yet, this is the first collection of his paintings in print. The work is truly colossal, featuring the innovative, ultramodern structures that brought him fame and conveying the sheer size that edifices built by future-fantastic technology might.

This is a huge collection of the work done by John Harris. Most of his art is obsessed with space and the machines that travel it. The work is amazing in that it captures the infinite quality of space: cold, bleak, lonely, and never ending. There are also paintings of the machines that must travel it in search of new resources or just exploration.
